

THINKING OF STARTING A NEW BUSINESS?

'NEW FRONTIERS' IS THE START YOU NEED

Ireland's largest entrepreneur development programme is recruiting individuals who have an innovative idea for a new business.

New Frontiers will help you to establish and run a successful new business by providing:

- Training and advice on the practicalities of setting up a business
- Office space and business incubation facilities
- Mentoring from experienced entrepreneurs
- Networking opportunities with potential investors
- Peer-group learning from other participants
- €15,000 in financial support to accelerate your business start-up

Everyday, everywhere around the world people innovate, explore, invent and collaborate to break new frontiers. You can too.

For further details about the programme, including how to apply:

www.enterprise-ireland.com/newfrontiers

This national programme is delivered in your area by the Enterprise & Research Incubation Centre at Institute of Technology Carlow and Arc Labs Research & Innovation Centre at Waterford Institute of Technology.

Would you like €15,000 to help get your Start-Up off the ground
