WHAT IS THE SOCIAL ENTERPRISE DEVELOPMENT FUND?

The Social Enterprise Development Fund is a €3.2 million Fund which is being delivered over four years; 2018–2022. An additional commitment of €1.6m in 2020, added to an original commitment of €1.6m in 2018, bringing the overall Fund to an investment of €3.2m in total, the most significant private investment in social enterprises to date. The Fund was created by Rethink Ireland, formerly Social Innovation Fund Ireland, in partnership with Local Authorities Ireland and is funded by IPB Insurance and the Department of Rural and Community Development. The Department of Rural and Community Development provides match funding for funds raised by Rethink Ireland, via the Dormant Accounts Fund.
