

## Meet the Entrepreneur: Bernie Kinsella, Worldbox

**Date: Monday 15<sup>th</sup> May 2017**

**Time: 19.00-21.00 (registration from 18.45)**

**Venue: Wood Quay Venue, Dublin City Council Civic Offices, Wood Quay, Dublin 8**

This month's event will feature a talk by successful entrepreneur Bernie Kinsella, MD of Wheels Couriers and CEO of worldBOX who will talk about the story so far of Wheels Couriers and she will also talk about her newest venture, WorldBox.ie and will share some of the key milestones and challenges along the way and what she has learned from them.

It will be interesting to hear about the success of a traditional service business, the role of technology in growing the core business, how the opportunity for Worldbox was identified and how they are adapting to a new customer base and business model.

The talk will be followed by networking over wine and finger food.

This event is open to non-members but all must register before 12pm on Friday 12<sup>th</sup> May through this form:
