- ▲ Save money

What is “BeSMART”?

BeSMART is a **free, easy to use**, on-line tool to enable small businesses to **generate risk assessments and a Safety Statement** for their workplace.

BeSMART was developed as part of the HSA Taking Care of Business initiative, undertaken to assist small business owners and managers understand how the effective management of health & safety in their workplaces can benefit the overall success of the business.

- It's as simple as searching for your step-by-step directory
- You will identify measures to help you to protect you and your workers and reduce the chances of an accident in your workplace

Where is the online tool?

Access it directly at www.BeSMART.ie

If you have a smart phone scan this QR code for further information or find out more at www.hsa.ie

To speak to a HSA staff member about BeSMART or any other workplace health and safety matter call **1890 289 389**

Why use BeSMART?

- It's free
- It's easy to use
- It's a legal requirement to carry out risk assessments and compile a Safety Statement for your workplace (and to bring them to the attention of employees and those affected)
