Bluebird Home Care Services
A quality care provider...

Bluebird Care (Carlow/Kilkenny & Waterford), 2nd Floor, Ayrfield Medical Park, Granges Road, Kilkenny, R95 P2EF

Bluebird Care Services provides home care and home help to people of all ages in their own home. Bluebird Care which originated in the United Kingdom (UK) has a number of franchise offices throughout Ireland. Brian Egan, a Kilkenny native, is the franchisee covering the Carlow/Kilkenny/Waterford area, operating from Kilkenny City.

Bluebird Care is dedicated to providing a high quality service. This can only be achieved by having competently trained care staff that receives strong back-up support, continuous communication with the HSE and other healthcare professionals and people in the community, as well as an on-going commitment to operate to the highest standards.

Bluebird received a Priming Grant from Local Enterprise Office Kilkenny towards the start-up costs of the business and has availed of training and one to one mentoring since its inception.

All carers employed by Bluebird go through a comprehensive screening process prior to being trained to a high standard. The company provides carers with refresher courses in all aspects of care on an on-going and systematic basis with an emphasis placed upon staff training and reskilling. They are members of the Home Care Association, which represents professional home care providers in Ireland, are subject to audit by this Association and by the Bluebird Care Head office to ensure compliance with the stringent Bluebird Care Policies and Procedures.

The business employs 4 full time office based staff (Business Manager, Care Manager, Supervisor and Coordinator) as well as a growing team of qualified professional carer's employed on a part time and full time basis. The team is dedicated to providing both a responsive and flexible service to meet people's needs with visits from one hour to 24 hour live in care. Bluebird Care provides care on behalf of the HSE and also for people on a private basis.
