

Dynamic Purchasing System for Minor Building Works – Tradespersons

INFORMATION NOTE

Dynamic Purchasing System for Minor Building Works - Tradespersons

A Dynamic Purchasing System for Minor Building Works – Tradespersons (“the DPS”) was advertised on www.etenders.gov.ie on the 16th June 2021. The Initial Application Period will close on the 19th July 2021 at 3:00 p.m. It is anticipated the DPS will be established in Q3, 2021.

The application process on eTenders will remain open after the initial application period deadline passes and will continue to remain open to new and previously unsuccessful applications over the lifetime of the DPS.

What is a Dynamic Purchasing System?

A Dynamic Purchasing System is a two-stage electronic process that contracting authorities use to streamline the procurement of commonly available goods, works or services that meet their requirements from suitably qualified Economic Operators admitted to the DPS.

Stage 1 Call for Competition – DPS Qualification

Call for competition issued by Local Government Operational Procurement Centre (LGOPC) seeking requests to participate in the DPS, and the DPS is established.

Stage 2 Supplementary Request for Tender

Contracting Authorities invite the Economic Operators admitted to the DPS to tender for specific Supplementary Request for Tender (sRFT) Contracts.

Who should Apply?

Plumbing Contractors (Plumbers), Electrical Contractors (Electricians) and Contractors who are experienced and competent in carrying out services/works relating to Renewable Energy Systems and Ancillary Works.

How Many Lots are in the DPS?

The DPS includes **three** Lots:

Lot-1: Electrical Works

The relevant categories associated with services/works for this Lot may include but are not limited to:

- Electrical installation work
- Electrical wiring work
- Electrical fitting work
- LED Lighting
- Maintenance, repairs and emergency repairs
- Servicing and testing of various wiring systems and services
- Commissioning and provision of appropriate certification
- Periodic inspection reports
- Other electrical installation work

Lot-2: Plumbing Works

The relevant categories associated with services/works for this Lot may include but are not limited to:

- Boiler repairs, maintenance and servicing
- Planned and/or reactive boiler maintenance and servicing of boiler systems and ancillary plant
- Boiler replacement
- Hot and cold-water systems
- Servicing, maintenance & installation of water, sanitary, drainage & rain-water systems
- Oil/Gas/Solid fuel burning devices and associated systems
- Installation, replacement and/or repair of plumbing and heating applications
- Inspection, testing, commissioning and/or certification of plumbing and heating applications
- Other plumbing installation work

Lot-3: Renewable Energy Systems and Ancillary Works

The relevant categories associated with services/works for this Lot may include but are not limited to:

- Heat recovery systems
- Heat Pumps
- Renewable based hot water systems
- Photovoltaic Panels
- Servicing, maintenance & installation of renewable energy systems
- Other renewable energy systems works

Contractors wishing to participate in the Lots above must apply for each Lot separately.

Selection Criteria

Contractors applying for admittance to the DPS will be required to meet selection criteria, including:

- Exclusion Grounds and Conflict of Interest Declarations
- Health and Safety Declarations

-
- Financial and Economic Standing
 - Technical Capability including previous experience in carrying out Plumbing Works, Electrical Works and Renewable Energy Systems and Ancillary Works.

Which Public Service Bodies May Call-Off from this DPS?

Works under this DPS may be procured by all Public Service Bodies in the Republic of Ireland (e.g. Local Authorities, the Education Sector, the HSE, etc.) following the completion of Supplementary Request for Tender competitions under this DPS.

As part of the application process, Economic Operators can indicate which county or counties they wish to apply for. Economic Operators will only receive Supplementary Request for Tender notifications from Contracting Authorities with requirements in the county/counties they have selected.

How do I Apply?

The application process is made online through www.etenders.gov.ie. The tender documents are available for download at www.etenders.gov.ie. The **eTenders system ID** for this competition is **192182**.

Call-Offs from the DPS

Economic Operators successfully admitted to the DPS must register on www.Supplygov.ie. Supplementary Request for Tender (call-offs) competitions will be run separately through www.Supplygov.ie by each of the contracting authorities. Details required at the Supplementary Request for Tender stage will be set out in the Supplementary Request for Tender documents.

Duration of the DPS

It is anticipated the DPS will be established for a period of five (5) years.

Who we are?

The Local Government Operational Procurement Centre operating under the auspices of Kerry County Council is tasked with leading the two procurement categories of **Plant Hire** and **Minor Building Works and Civils**. The LGOPC delivers sourcing methodologies & procurement routes for Local Authorities and other Public Service bodies.

What is eTenders?

eTenders is the Irish Government's electronic tendering platform administered by the Office of Government Procurement.

If you are not registered on eTenders, please now register on www.etenders.gov.ie and apply for this DPS.

This DPS is published on eTenders under a number of relevant Common Procurement Vocabulary (CPV) codes including, but not limited to, the following:

- 45330000-9 Plumbing and sanitary works
- 45332000-3 Plumbing and drain-laying work
- 45332200-5 Water plumbing work
- 45310000-3 Electrical installation work
- 45311000-0 Electrical wiring and fitting work
- 45311100-1 Electrical wiring work
- 45311200-2 Electrical fitting work
- 50711000-2 Repair and maintenance services of electrical building installations
- 45331100-7 Central-heating installation work
- 50720000-8 Repair and maintenance services of central heating
- 45331110-0 Boiler installation work
- 50531100-7 Repair and maintenance services of boilers
- 45333000-0 Gas-fitting installation work
