

Transform Your Business with LEO Leitrim's Lean & Digital for Business Programmes

Fiona from Corby Hair & Beauty Supplies shares first-hand how her business has grown and evolved with the support of the Lean and Digital for Business programmes through LEO Leitrim. From improving day-to-day operations to embracing digital tools, Fiona highlights the real, practical impact that these programmes can have for small businesses.

Discover how LEO Leitrim can help you work smarter, boost efficiency and drive real growth.

Apply Now!

Leitrim Tourism App :

Tourists visiting Leitrim can now receive live updates on restaurant cancellations, accommodation availability, events, live music sessions and local attractions through a unique countywide visitor app.

The Visit Leitrim app will also allow visitors to unlock the county's many diverse food, music, nature and cultural experiences in real time – giving them all the information they need in a single online space. Visitors can download the FREE Visit Leitrim app from the Apple app store or Google Play.
