Plant Your Idea

OUTCOME

Clarity and confidence to start your business journey.

Turn a promising idea into a viable business concept with structured, practical support:

Business Advice Clinics:

One-to-one sessions to explore your idea, clarify goals, and map out next steps.

[Learn More →](#)

Start Your Own Business Programme:

A guided introduction to planning, legal requirements, marketing, and finance for new and early-stage entrepreneurs.

[Learn More →](#)

Build Strong Foundations

Establish the systems, skills, and evidence your business needs for sustainable growth:

Training: Practical workshops on finance, marketing, operations, and compliance.

[Learn More →](#)

Mentoring: Match with experienced business professionals for strategic, one-to-one guidance.

[Learn More →](#)

Feasibility Study Grants: Funding to test market demand, validate product/service fit, and assess commercial sustainability.

[Learn More →](#)

Management Development Programmes: Build leadership, strategy, and execution capability as your business scales.

[Learn More →](#)

Financial Capability Development: Strengthen understanding of cashflow, pricing, and profitability to make better decisions.

[Learn More →](#)

Strengthen & Scale

Optimise performance, reduce waste, and embed sustainable, digital-first practices:

Lean for Business: Improve processes, eliminate waste, and save costs while boosting quality.

[Learn More →](#)

Green for Business: Take practical steps to reduce carbon footprint and operate more sustainably.

[Learn More →](#)

Energy Efficiency Grant: Explore support for investment in technologies and equipment that cut energy use and emissions.

[Learn More →](#)

Digital for Business: Assess current systems and identify digital tools to streamline operations and improve customer experience.

[Learn More →](#)

Grow Digital Voucher: Support for software and training/IT configuration to adopt new digital solutions.

[Learn More →](#)

OUTCOME

An efficient, sustainable, and tech-enabled enterprise.

Special Initiatives

Access targeted programmes designed for innovation, digitalisation, and sector growth:

New Frontiers [Enterprise Ireland]: Entrepreneur development for innovative, early-stage start-ups aiming to scale.

[Learn More →](#)

All in a Days Work: All in a Day's Work. Text underneath: Access to Lean, Green and Digital supports to help SME's save time, money and energy.

[Learn More →](#)

Sectoral Supports: Tailored development for Craft and Food businesses, plus regional Cluster networks to share best practice.

[Learn More →](#)

Women In Business: An established network to help women at every stage of their business journey, learn, develop and grow in a supportive environment.

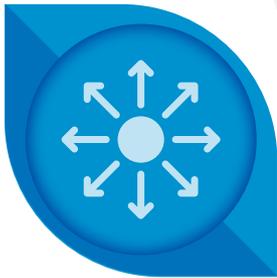

[Learn More →](#)

OUTCOME

An efficient, sustainable, and tech-enabled enterprise.

Expand Your Reach

Prepare to enter new markets and grow internationally with expert advice and targeted funding:

Export Supports:
Guidance on market selection, compliance, logistics, and routes to market.

[Learn More →](#)

Market Explorer Grant:
Funding to research and access overseas opportunities.

[Learn More →](#)

OUTCOME

Your business positioned for global opportunities.

Finance Your Growth

Access the right finance at the right time to fuel your growth journey:

Feasibility Study Grant: Early-stage research and validation.

[Learn More →](#)

Priming Grant: Support for micro-enterprises within the first 18 months of start-up.

[Learn More →](#)

Business Expansion Grant: Funding to scale operations beyond the start-up phase.

[Learn More →](#)

GradStart: GradStart provides financial support for hiring graduates to deliver innovative projects that align with a company's growth plan. It is available only to manufacturing and internationally traded services businesses.

[Learn More →](#)

Microfinance Loans: Low-interest loans [typically €2,000–€50,000] for start-up and expansion needs.

[Learn More →](#)

Market Explorer Grant: Support to unlock overseas markets.

[Learn More →](#)

Research, Development & Innovation (RD&I) Supports: Assistance to develop new or improved products, services, or processes.

[Learn More →](#)

IP Start/IP Plus: IP Start helps companies access external expert Intellectual Property (IP) advisory services to address immediate IP issues, such as prior-art searches, IP audits, or drafting and filing patents or trademarks.

[Learn More →](#)

OUTCOME

Utilising structured financial supports to achieve sustainable growth.

Graduate to Enterprise Ireland

For businesses with strong growth potential and the ambition to scale, Local Enterprise Office Monaghan helps you prepare for a seamless transition to Enterprise Ireland.

We focus on export strategy, innovation roadmaps, and operational scaling so you can meet Enterprise Ireland's readiness criteria.

[Learn More →](#)
