

# €50K COMPETITIVE START FUND

If you are a start up in the **Aviation** or the **Manufacturing** sector, with the potential to create jobs in Ireland and grow internationally, you can apply to Enterprise Ireland's **Competitive Start Fund**.

Up to 10 start up companies will receive an investment of up to €50,000 for a 10% ordinary equity stake. The selected companies will be required to secure additional investment of €5,000 prior to the release of Enterprise Ireland's investment.
