Instructions:

To the Client:

The attached form is intended to be addressed **BY** your accountant **TO** the South Dublin County Enterprise Board. If you have not yet appointed an accountant, you may be interested in a guide to choosing an accountant, which you can find in the Information- Advice articles section of our website on www.sdenterprise.ie

This form contains all the confirmations required by our drawdown procedures in every circumstance. Consequently, not all of them may apply to your case.

If you have any doubt regarding which parts of the form relate to your case, please contact the Board on 01 4057073 or info@sdenterprise.ie

Please present this form to your accountant and ask him to perform the necessary checks and verification of your information.

When the form has been completed, stamped and signed by your accountant, please send it with your drawdown form and other relevant backup material to us at South Dublin County Enterprise Board for processing. Relevant backup information may include:

- Original invoices marked "paid" (showing net-of-VAT amount)
- Tax deduction cards for supported employees (extracts from payroll systems may also assist)
- P35 forms
- Dept of Social & Family Affairs documentation relating to employment support
- Tax clearance certificates, unless SDCEB will total less than €10,000.
- Lease documents relating to supported accommodation costs
- CRO and Revenue Commissioners' documents confirming registration.

To save your accountant's time, please fill in as much of the form as you can before handing it to him/her and provide all of the backup paperwork that verifies the information.

To the Accountant:

The attached form is intended to be photocopied onto your letterhead. However, this is optional and your company stamp can be used instead.

Please verify the information on the attached form and additional backup materials provided to you by our client, so that you are in a position to confirm the relevant statements on the form.

Not all of the statements are relevant to every case so some sections of the form will not be completed.

Please tick *and initial* every statement that you are officially confirming and provide your name, the name of your accounting practice, your signature and the date at the end of the form.

Please also stamp the form with your firm's official stamp – particularly if you have not used your letterhead.

Please return the form to the client, who will send it to us (with the backup documents) for processing
