

LOOK FOR LOCAL. IT WORKS FOR EVERYONE.

Local Enterprise Office

Which means Lisa can now spend some money at Karla's artisan cheese shop.

Good news for Leo, who can now afford to get his motorbike fixed by Rob in the next village.

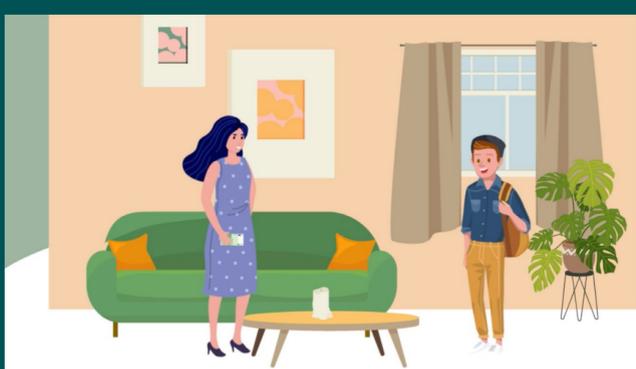

Sonia's TOTAL HAIR CARE

Who can finally get that beard seen to at Sonia's hair salon.

Who, as it turns out, is Oisín's mum and can now help him pay for some more...

canoe lesson, turns out he's good at it. And the whole process starts again.

And that's how Look For Local works for everyone. In fact, every euro you spend on local products and services generates more than double for the local community.
