Module 1: Leading and Motivating Your Team Effectively

Develop the skills to inspire, guide, and support a team to achieve higher productivity and quality standards. Enhance communication and leadership abilities, leading to improved teamwork, efficiency, and staff morale

Module 2: Problem Solving and Making Decisions

Develop practical tools to analyse issues quickly and make effective, evidence-based decisions. Facilitate smoother operations, reduced downtime, and improved productivity across manufacturing processes

Dates:

Module 1: One Day Workshop, 22nd January, 9:00 – 16:00
Module 2: One Day Workshop, 13th February, 9:00 – 16:00

Delivery:

Classroom based, workshop facilitated training

Location:

LEO, Wicklow County Campus, Rathnew, A67 X566

Award:

Successful learners will achieve the internationally recognised Institute of Leadership & Management (ILM) award
