LEADING, SUPPORTING, COLLABORATING

Leading the way for ambitious
and enterprising women

Supporting the professional
and personal growth of women

Collaborating with government, private
and non-profit sectors to help women succeed

ABOUT US

- Network Ireland is a progressive, dynamic organisation supporting the professional and personal development of women.
- Established in 1983, over 600 members with 11 branches nationwide
- Our membership is made up of a very diverse group of women - from entrepreneurs and SME owners to professionals and leaders in indigenous companies, multinationals , non-profits, charities, arts and the public sector.

BENEFITS OF MEMBERSHIP

Network
Ireland
Limerick

Develop personally and professionally...

- 1) Open Doors** – Network with like-minded people and make valuable new connections, get business referrals and broaden your personal boardroom
